

Advantages for You

- Coverage is guaranteed issue — you cannot be turned down when you apply for coverage the first time it is offered.
- As long as you remain an active member, pay your premiums, and the Master Policy remains in force, your coverage cannot be canceled. Your coverage terminates if your association ceases to participate in the Master Policy.
- Claims are paid quickly so that benefit dollars are available when needed most.
- Once covered dependents are no longer in a class eligible for coverage, they may enroll for member coverage within 30 days of the date they are eligible for said coverage.

Coverage for Your Dependent ends on the earliest to occur of: 1) the date The Policy terminates; or 2) the Premium Due Date on or next following the date: a) Your Dependent no longer meets the definition of Dependent; b) the required premium is not paid, subject to the Individual Grace Period provision; or 3) the date Your coverage ends. However, if Dependent Child coverage would terminate because of Your death, coverage will continue until the Premium Due Date on or next following Your death.

Advantages for Your Group

Making this guaranteed issue coverage available helps demonstrate how your community supports and cares for its members.

- It can strengthen your group's appeal in attracting and retaining members.
- The group life plan can reduce or eliminate the challenge of obtaining contributions each time a member dies.
- Survivors may receive greater financial benefit from the group life plan than from member donations, especially if multiple deaths occur over a short time period.

Additional Cultural Group Benefits programs available:

- Cultural Short Term Major Medical
- Cultural Travel Health for Overseas Visitors

SUICIDE EXCLUSION

If You or Your Dependent commits suicide while sane or insane:

- 1) During the first two years of coverage under The Policy, we will only pay the deceased person's Life Insurance Benefit in an amount equal to the premium paid for coverage to the date of death; and
- 2) During the two years immediately following an increase in coverage under The Policy, we will only pay the deceased person's Life Insurance Benefit in an amount equal to the Amount of Life Insurance in force prior to the increase, plus an amount equal to the premium paid for the increase to the date of death.

The full Life Insurance Benefit Amount for the deceased person is payable if he or she is covered under The Policy and commits suicide after the two year period.

¹ Rates and/or benefits may change on a class basis. During the first year of coverage the benefit payable will reduce based on your age. Please see web site for more information. At age 65, your benefit amount will reduce to 50% of the basic amount. At age 70, your benefit amount will reduce to 10% of the basic amount.

² The Children's Benefit covers unmarried, dependent children who are U.S. residents, have a Social Security number and who are at least 15 days old but not yet 21; age 21, but not yet 23, and in full-time attendance to accredited institution. In Texas only, dependent coverage begins at birth, but not yet age 25, as opposed to 15 days.

* Members who are residents of Minnesota must be under the age of 82.
